

Camp T-shirt Policy

Starting June 2024 Camp shirts given at Clipper Day Camp 2024 are **required with no exceptions** on all field trips to major/ public locations. Camp shirts will **remain on in and out of water**. If your child refuses to keep a wet shirt on, we recommend purchasing a second t-shirt they may change into during the field trip. Spare T-shirts will be available to purchase during sign in or sign out at camp. Each camper is given one T-shirt as part of their camp fee. Spare shirts are \$10.

This year we have purchased T-shirts in a different material that is designed to be worn wet and to dry quickly to keep all campers safe and comfortable.

Only this year's shirt in the correct color and logo will be allowed on designated camp shirt days. Camp shirts from other years may be worn any other time.

Camp shirts issued in 2024 will be **required** at the following locations:

- Sebago State Park (In and out of water)
- Children's Museum and Theater of Maine
- Spare Time
- Urban Air
- Maine Wildlife Park
- Toots and North Rd Park
- Royal River Park
- Desert of Maine
- Winslow Park
- Aquaboggan (in and out of water)
- Seacoast Adventure
- Coffin Pond (in and out of water)
- Fun Town

Any child who does not have their camp shirt will be required to purchase one in order to participate in the field trip that day.
